IN THE DRAWINGS

Please amend Figures 1 and 2 as shown in the attached redline drawing. In FIG. 1 the reference designator "2" identifying the first (inner) aluminum strands has been amended to "2A". The reference designator "2" identifying the second (outer) aluminum strands has been amended to "2B". In FIG. 2 the reference designator "2" has been amended to indicate "2B". The reference designators in the drawings, as amended, conform with the description provided in the specification at page 5 line 12 through page 6 line 5. No new matter has been added by this amendment.

Applicant will file formal drawings upon approval of the drawing correction.
